Organize the
The Second Annual Meeting of the
Lebanese Society for Mathematical Sciences
LSMS-2011

In collaboration
with

AUB
American
University
of Beirut

Venue: Lebanese American University, Beirut.

Date: April 1-2, 2011.

URL: <http://www.lsms.net/lsms2011/secondannualmeeting.htm>

The objective of the conference is to bring together researchers, practitioners and graduate students with interest in the different fields of Mathematical Sciences: Pure, Applied and Computational Mathematics in addition to Math Education.

The deadline for submission of abstracts is extended until March 15, 2011. It is envisaged to publish the proceedings of the conference in a special issue of Elsevier's *Procedia*. Guidelines for potential authors will be provided during the April LSMS meeting.

The LSMS-2011 conference is preceded on March 30-31, 2011, by a two-day workshop hosted by the Haddath Campus of the Lebanese University on Stochastic Analysis and Partial Differential.

A panel discussion on "Current status and future of Lebanon's Doctoral Studies in the Mathematical Sciences" will be closing the meeting.
